

**Steeton Male Voice Choir** celebrated its centenary in 2008 and continues to thrive, being in as good shape as at any time in our history.

We continue to be in high demand, giving around 20 performances each year. Our diary for 2015 is now full, but if you are interested in booking the choir in 2016, please contact our Concert Secretary, Eric Parker (details on next page) who will be pleased to speak to you.

The Choir at Chatsworth House in 2008

Steeton Male Voice Choir is a large choir but we would like to be even bigger and there is an open invitation to any man who enjoys singing or would like to start singing with others to come along to one of our Monday rehearsals in Steeton Methodist Church at 7.30 pm to see if he might like to join the choir. Have a word with Ken Wardell (details on next page) or indeed any choir member after the concert. You will be assured of a very warm welcome.

Alternatively, if you would like to support the choir in some other way, why not consider becoming a **Patron of the Choir?** Contact our Secretary, Ian McDonald, for further details.
